COLLEGE PROFILE

From a modest beginning in 1982 with a handful of students and faculty, we have matured from a sapling into a mighty oak: as an all-encompassing multi-faculty institute.

Today, we have approximately 4100 `students in the streams of Science, Commerce, Humanities and Computer Applications, with Honours in 13 subjects. We also offer Masters in English, Sociology, Public Administration, Political Science, Information Technology, Microbial Biotechnology, Commerce, Botany and Zoology; Postgraduate Diplomas in Mass Communication, Computer Applications & Translation; B.PEd and Diploma in Guidance & Counseling. 240 subject combinations are available in the Arts stream. Besides these, the subjects of Functional English& Hindi, PPIand Career Oriented Courses in Bioinformatics, Environmental Auditing, Tourism and Event Management are being run under the aegis of UGC. Our college has become the first city govt. college to be approved as a Zoology research center by Panjab University Chandigarh.

We are a team of highly qualified 90 regular and 48 guest faculty members including 68 Ph.Ds and 36 M.Phils who facilitate effectual teaching and inculcate multifaceted development of the students. 70 non-teaching members provide assistance in the smooth functioning of the college.

It gives me immense pleasure presenting before you all, the highlights of the activities and accomplishments of the institution during 2013-14.

UNIVERSITY POSITION HOLDERS 2013-14

SUPPORT SYSTEM

The University Grants Commission, New Delhi; Panjab University, Chandigarh and Dept. of Higher Education, Chandigarh Administration are our major support systems. In addition, our college Administrative Branch, Examination Branch, Hostel and Library work in close confluence and ensure smooth running of the college.

UGC RESOURCE CELL

Catering to the changing needs of the global job market, the college has received financial approval of 17 Lakh as seed money for the introduction of career oriented courses in the subjects of

- Certificate Level-cosmetology
- Advance Diploma Level Entrepreneurship
- Animation & Graphics

As per UGC recommendations, PG diploma in Cyber Crime has also been introduced in the current session.

Earlier UGC has sanctioned Career oriented courses in Event Management, Tourism, Bio-Informatics, Environmental Auditing, Disaster Management & Entrepreneurship

which are the maximum no. of courses sanctioned by UGC for any of the city govt. colleges.

Under XII plan, the college has submitted a proposal for Rs15.4 lakh for UG & PG development under Merged Scheme. The college has also submitted institutional budget proposal amounting to Rs 10 crore under RUSA scheme of MHRD.

ADMINISTRATIVE BLOCK

We have a fully automated office which has dedicated and committed administrative staff led by Mrs. Satinder Kaur and Mr. Sohan Singh. The services of the Administrative staff are an integral and indispensable part of the functioning of the college and a fully computerized office has made the working of the Administrative Branch better organized and more efficient.

EXAMINATION BRANCH

The examination system ensures that the mental faculties of our students remain keen & ever ready to face the challenges of the outside world. Our examination branch is efficiently managed by Dr Vineeta Sharma, Mr Jagan Nath & Dr Deepika Kansal who look after the House Exams, Competitive Exams & University Exams respectively.

We are successfully using 'edunext 24x7' Software Online Exam Evaluation for submission of results for house examination, assessment calculation and attendance record for students. In the current session, our College Examination branch was instrumental in submission of PG internal assessment through VPN ensuring zero-error tolerance. Lists of toppers- class wise & subject wise were also prepared to guide and motivate intelligent students.

The college is allocated five Examination centres to hold University Annual and Semester exams for UG and PG examinations for more than 5000 candidates.

These exams are conducted with utmost responsibility and efficiency in addition to regular September and December House Exams on the basis of which internal assessment is calculated.

We also conduct many national and state level competitive entrance exams such as UPSC(Civil Services), IB, SLIET, FCI ,MHA, MES, CET, SSB, SSC, UGC, CET, PMT, Railway & Banking Recruitment, NTSE, FMC/AIIMS/PGIMER (MBBS/MD/MS) Entrance Exam, NDA, ETT etc.

It is pertinent to state that College Examination Branch is equipped with BIZHUB-German make Printing Machine for printing of question papers confidentially which helps to save Govt. funds to the extent of 40%.

HOSTEL

The college hostel was established in 1992 and now it has 16 wings accommodating 265 students with arrangement for 33 students in Government Hostel, Sector -24, Chandigarh. Besides regular facilities, we provide computers, internet & non-conventional energy resources like solar geysers and Solar Lights in the hostel. Sensitive to the need of the environmental conservation, our college has also installed Bio Fuel stove in the hostel mess to optimize LPG usage.

LIBRARY

The college library is fully automated and caters to the academic and educational needs of the students and the staff. During the current session approximately 500 books have been added to the already existing stock of 38,000. In addition to this, the library subscribes to 75 magazines, 20 subject journals and 18 newspapers in Hindi, English and Punjabi to keep the students and staff abreast with current affairs home and abroad. INFLIBNET facility to access E-Books & Journals & OPAC (Online Public Access Catalogue) facility is available in the library for the staff and students to search for books and articles through approaches like author, title, accession

number, publisher, subject, or a combination of these. Reference Books are also issued to students for 2 days. Internet facility and Photostat Facility is available in the Library for students.

PLACEMENT CELL

Placement Cell aims at providing information to the students about job vacancies and the availability of different job oriented courses/classes in the city. We conduct workshops & training sessions on regular basis for the students to equip them with the skills of CV writing, Interview preparation, basic grammar skills& reasoning ability. During the current session, our objective has been to reach out to the outgoing class to make them career ready. A five day Bulls Eye sponsored workshop on bank jobs/PO/clerical coaching was conducted which was attended by about 100 students. Copy of 'Employment News' is made available for the students in the Placement Cell any time of the day. During this session we invited IBM & DLF Pramerica Life to conduct placement drives in our college. 33 students have been given offer letters by the companies.

LABORATORIES

The college has twenty eight laboratories in the subjects of Botany, Chemistry, Physics, Zoology, Bio-Technology, Microbiology, Bio-informatics, Computer Science, BCA, Functional English, Functional Hindi, Geography, Psychology, Fine Arts, Dance, Music Vocal and Instrumental and Home Science. These labs are equipped with all relevant items as per University norms.

FEE CONCESSIONS AND SCHOLARSHIPS

During the current session, Half Tuition Fee Concession has been given to approximately 370 students while the amount of 1,61,000/- has been disbursed among 46 students as Student Aid Fund. The college awarded Rs. 7000/-as the Amarjeet/Beena Memorial Scholarship for outstanding performance in

House/University examinations. Besides this, Smt. Saroj Vasudeva Scholarship is awarded to poor brilliant students. Some poor and needy students have also been helped from time to time through funds collected from the staff.

EXTRA CURRICULAR ACTIVITIES

Extracurricular involvement allows students to link academic knowledge with practical experience, leading to a better understanding of their own abilities, talents and career goals. They also hone their “Soft Skills” that relate directly to social interaction, time management, public relations, community service along with skills specific to their career path and future job success. In today’s competitive globalised world, future employers seek individuals with these increased skill levels, making these talented students more sought-after in the job market. It is thus the responsibility of every educational institution to encourage students to marshal their skills by allowing them to participate in the extra-curricular activities that they excel in.

The session has been buzzing with activity. A number of activities viz., Talent Hunt Competitions, Inter College and Intra College Quiz, Debates, Declamations, Folk Song and Poetry Recitation Competitions were organized during the session. Many lectures, seminars, symposia and workshops were also held for the awareness of the students.

A good number of students participated and bagged 23 prizes including five first prizes, five second prizes, five third prizes and four individual prizes in the Zonal Youth Festival; one First prize, two second and one third prize in the Inter-Zonal Youth Festival.

TOWARDS HOLISTIC DEVELOPMENT

The college endeavors to imbibe holistic education so as to prepare the students to meet the challenges of life. Efforts are also made to maintain healthy relationships and inculcate pro-social behavior. Holism fosters collaboration rather than competition in classrooms. By using real-life experiences, current events, the finer arts and audio/visual aids to substantiate textbook information, the students are encouraged to explore and discover their potential and latent talents. As holistic educators, we must respond to the learner's inquisitive mind with a sensitive understanding of the environment that he or she is maturing in. To fulfill this purpose, we have four NSS Units, NCC (Army Wing) and various clubs, cells, societies and associations actively functioning in the college.

A detail of their activities during this session is given below.

NSS

In this session, 400 students enrolled themselves as volunteers in the 4 units of NSS. Six volunteers attended Adventure Camps at the national level and 35 volunteers attended camps at state level. Four students attended winter Adventure Camps in Narkanda & Manali.

Harpreet has been overall Student-in -charge of Seven Day Special Camps held in the college. Nancy has been adjudged the Best NSS volunteer of 2013-14. Besides attending pre RD camp at Delhi, she has also attended three adventure camps & is the student in-charge of NSS. She is also a member of the college Student Council.

Our contingent bagged the 2nd prize in March past on the Republic Day celebrations held at Parade Ground Chandigarh.

NCC

The college has one NCC unit (Army Wing) with authorized strength of 114 cadets. The NCC cadets participated in various activities during the session like Blood Donation Camps, rallies held to generate awareness regarding Female Feticide, Drug Abuse among Youth, Cancer Awareness etc. Our NCC Contingent has been adjudged the BEST contingent during the Independence Day Parade held at Parade Ground, Chandigarh.

Cadet Ruchika Arora of B.A. III has been adjudged the best NCC cadet of the session 2013-2014 for her leadership and management capabilities.

Our cadets are the official escorts of the Chief Guests and Dignitaries during all functions and remain instrumental in maintaining discipline in the various functions of the college.

ALUMNI ASSOCIATION

The college holds Alumni Association interaction sessions wherein all the departments invite their distinguished alumni to interact with the final year students. In these informal interactive sessions, various issues relating to career options,

procedures for applications to postgraduate classes, scope etc. are discussed at length. Emphasis is laid on honing communicative skills, computer skills and how to conduct one-self during interviews. A cultural programme is also organized every year by the association.

The Alumni Association invited Dr Preet Arora, a distinguished alumna of the college who has been a recipient of Rajiv Gandhi Excellence Award.

THE AMBASSADORS (Alumni Association) is an open group on Facebook where a novel effort has been made to initiate debates and discussions on social issues. Some alumni respond whole heartedly on a regular basis.

ENVIRONMENT SOCIETY

‘SRISHTI’ -- the Environment Society of the College, celebrated ‘Rajiv Gandhi AkshayUrjaDiwas’ with Energy Conservation Campaign & spread the message through posters, slogan writing, essay writing and ‘One Suggestion on Energy Conservation’ contest. Ozone protection day was observed in the college through screening of documentaries on issues & concerns regarding ozone depletion. A rally with a mission of ‘Anti-cracker and Pollution Free Diwali’ was carried out. The society set up a herbal garden in the college campus which was inaugurated by Mr. Sandeep Hans, DHE. Medicinal plants were also distributed on this occasion.

AIDS AND HEALTH AWARENESS SOCIETY

The AIDS and Health Awareness Society has been actively involved in organizing activities for spreading awareness about concerns like AIDS, women health care & hearing loss due to firecrackers. The society is also instrumental in organizing motivational eye donation & blood donation campaigns in the college on a regular basis.

WOMEN CELL, GENDER EQUITY AND NON-DISCRIMINATION SOCIETY

The emerging need of present times necessitates girls to be aware, make informed choices and develop self-respect. This year Women Cell organized highly interactive, energetic and participatory activities to generate awareness and sensitize girls towards gender biased and discriminating society. The major focus has been on teamwork, cooperation and positive approach. A series of activities are being conducted in collaboration with Jagori Grameen, Dharamsala, Population Foundation of India and novel partnership with NGOs. Kamla Bhasin, a famous women's activist and gender expert conducted a workshop with 355 girls which was a big success. Another workshop on Gender and Reproductive Health was also organized for PG students in which about 150 students participated.

COMMUNITY SERVICE INITIATIVE

Addressing the need of community service, our girls have been actively involved in the following activities during this session:

- The Pulse Polio immunization drive.
- Participation in flash mob as part of a campaign 'One Billion Rising' to create awareness about women and gender related issues
- Project 'Uday' by NSS volunteers under which street children are being taught by our students.
- Tree plantation drive during Van Mahotsav.
- Students carried out 'a Peace March', thereby addressing the Global issue of sustaining peace and harmony in the world.
- Awareness about Traffic rules was spread through 'Helmet Rally'.

- Student participation in various activities organized in collaboration with two NGOs: Population Foundation of India and Jagori- Dharamsala.
- As an initiative 'Value Life-Save Life', a Blood donation camp was held in the college to motivate students to donate blood generously.
- AIDS awareness drive was also carried out by the students.
- 'Youth Adalat' is organized every Friday in the college to address the issues of students.

VISION

The college strives for excellence and modernization in keeping with the changing demand and need of the hour. For this purpose computerization process has been initiated at all levels.

A number of lectures, seminars, and workshops were held during the session wherein the faculty and students updated their knowledge & interacted with the best minds on the national & international circuit. However, the vision of the college as a self-sufficient institution will remain unfulfilled until some more facilities like

- Advanced Science Block
- All weather Swimming pool
- Extended and Underground parking
- Additional housing units for non-teaching staff are not added to the existing infrastructure.

This report presents a comprehensive view of the achievements and activities of the college during the session 2013-14.
