PRINCIPAL

COLLEGE PROFILE

Nestled in a sprawling campus of approximately 18 acres in the southern part of the ‘City Beautiful’, the college has, indeed, matured from a sapling into a mighty oak. From a modest beginning in 1982 with 300 students and 14 faculty members, today, the college has emerged as an all-encompassing multi-faculty institute offering 50 courses (UG and PG) with 329 subject combinations in Arts, 13 in Science, Honours in 13 Arts/commerce subjects & Post Graduations in 14 subjects. The college also offers Dual degree in the form of graduation with an added option of 9 Add- on Courses. Academic flexibility for vertical movement is available within the programs in some specified courses like English, Public Administration, Sociology, Political Science, Information Technology, Zoology, Botany, Microbial Biotechnology and Commerce. Four self-financing programmes i.e. BCA, M.Sc. (IT), PGDCA and M.Sc. (Microbial-Biotechnology) are also offered by the college. Our college has also become the first city govt. college to be approved as a research center in the subject of Zoology by Panjab University Chandigarh.

Today, we have approximately 4333 `students in the streams of Science, Commerce, Humanities and Computer Applications. Besides these, vocational subjects of Functional English & Hindi, PPI and Career Oriented Courses in Bioinformatics, Environmental Auditing, Tourism and Event Management are being run under the aegis of UGC.

We are a team of highly qualified 144 faculty members with 69 Ph.Ds and 37 M.Phils, who facilitate effectual teaching and inculcate multifaceted development of the students. Committed to research and innovation, the faculty has published more than 349 research papers and 60 books. At present 15 Research Scholars are pursuing Ph.D. under the supervision of our erudite faculty and 5 of their students have already been awarded Ph.D. degrees. 27 of the faculty are members of the Board of Studies of Panjab Univ. Another 7 are added members of different faculties of PU, Chandigarh & of University of Rajasthan, Jaipur and ISS University, Mansarovar, Jaipur.

About 90 non-teaching members provide assistance in the smooth functioning of the college. It gives me immense pleasure presenting before you all, the highlights of the activities and accomplishments of the institution during 2014-15.

UNIVERSITY POSITION HOLDERS 2014-15

Maintaining the tradition of excelling in academics, this year too our academic achievements have been outstanding. Students especially from Postgraduate classes and Science classes have shown commendable results. The students who have topped their respective streams have achieved high first divisions; the highest being 85.56% in M.Sc. Microbial Biotechnology & 79.45% in MA Public Administration. In under-graduate classes also, our students have scored high percentages; notably 96.87% in Bio-Tech 1st yr, and 88.85% in BSc III.

Top 5 positions in M. SC. Microbial bio-technology (IVth SEM) have been bagged by our students.

SUPPORT SYSTEM

The University Grants Commission, New Delhi; Panjab University, Chandigarh and Dept. of Higher Education, Chandigarh Administration are our major support systems. In addition, our college Administrative Branch, Examination Branch, Hostel and Library work in close confluence and ensure smooth running of the college.

UGC RESOURCE CELL

The University Grants Commission, New Delhi has given financial approval for Rupees 17 Lakh as Seed Money under COP scheme. Earlier UGC had also sanctioned Career Oriented Courses in the subject of Event Management, Tourism, Bioinformatics, Environment Auditing, Disaster Management and Entrepreneurship which are the maximum number of courses sanctioned by UGC to any of the city Govt. colleges.

PG Diploma in Cyber Crime has already been introduced from the current session and ours is the only college which has this course in this part of the country.

The Career Oriented courses in the subject of Cosmetology and Animation & Graphics will be introduced from the coming session 2015-16.

ADMINISTRATIVE BLOCK

We have a fully automated office which has dedicated and committed administrative staff led by Mrs. Satinder Kaur and Mr. Sohan Singh. The services of the Administrative staff are an integral and indispensable part of the functioning of the college and a fully computerized office has made the working of the Administrative Branch better organized and more efficient.

EXAMINATION BRANCH

The college examination branch carries out various assignments to conduct House Examinations, University Examinations and competitive Exams. College Examination Branch conducts September and December House Exams for annual classes & Mid - semester Exams for Semester undergraduate & postgraduate classes on the basis of which internal assessment is calculated and Annual Prize Distribution is held. Three Examination centres are allotted for Semester Exams & five centres to conduct Annual Exams. Also various competitive examinations of National and State repute are assigned to the college by the Chandigarh Administration from time to time. Some of the important entrance examinations worth mentioning here are Civil Services, NDA, PCS, HCS, CET, BSRB, RRB, IB, SLIET, MES, UGC etc.

Our College Examination branch has played an important role in Online Exam system and submitted PG & UG internal assessment through VPN for the first time with utmost efficiency, secrecy and zero-error tolerance.

It is pertinent to state that College Examination Branch is equipped with BIZHUB-German make Printing Machine for printing of confidential papers etc. and Examination Branch members take extra pain to do this job which helps to save Govt. funds to the extent of 40%. Another photocopier of better quality has been purchased this year. Revenue from other sources such as disposal of used answer sheets is generated from time to time for improving examination infrastructure.

With the initiative of Registrar Examination branch, list of topper students class-wise &

subject-wise has been prepared to guide and motivate intelligent students. College Examination work has been successfully web-interfaced with PU-VPN for handling editing, deleting, querying, viewing and printing reports which has substantially reduced paper work. Instead of using conventional examination form, the college has updated online examination - form submission in semester system. Communication gateway mechanism has been efficiently introduced for online submission of internal Assessment in undergraduate and post graduate classes. College has developed this software with the assistance of SPIC-MACAY (Chandigarh Administration), and the Examination relation data has been successfully exported to Ms. Excel format of Panjab University registration & scrutiny Branch. Online Examination cards were successfully downloaded for UG Classes this year.

HOSTEL

The hostel - 'a home away from home' brings together students from different parts of the country where there is an intermingling of cultures. At present, there are students from 12 states namely J&K, H.P, Punjab, Haryana, Delhi, Rajasthan, Uttrakhand, UP, Bihar, Jharkhand, West Bengal and Manipur in the 16 wings of the college hostel. 33 students are accommodated in the Government Hostel, Sector -24, Chandigarh. The college provides adequate facilities for the recreation of the hostlers -TV room with DVD, a small Library, study room, in-door games, sick- room and a meditation room; computers, internet & non-conventional energy resources like solar geysers and Solar Lights. Theatre and Dance workshops & Yoga classes are also held for the physical, mental and emotional well-being of our students. Sensitive to the need of the environmental conservation, our college has also installed Bio Fuel stove in the hostel mess to optimize LPG usage.

LIBRARY

The college library is fully automated and caters to the academic and educational needs of the students and the staff. During the current session approximately 1,000 books have been added to the existing stock of approximately 39,000. In addition to this, the library subscribes to 78 magazines, 20 subject journals and 18 newspapers in Hindi, English and Punjabi to keep the students and staff abreast with current affairs at home and abroad. INFLIBNET to access E-

Books & Journals & OPAC (Online Public Access Catalogue) facility is available in the library for the convenience of the staff and students to search for the books through various approaches like author, title, accession number, publisher, subject, or a combination of these. Reference Books are also issued to students for 2 days. Internet and Photostat Facility is available in the Library for students.

PLACEMENT CELL

Placement Cell of the college caters to Campus Placements & prepares the students to be independent and financially self-sufficient after completing their course/degree in the college. Our aim is to reach out to all students of the college to ensure their participation in motivational talks & interactive sessions on Career Guidance. Placement Cell provides information to the students on regular basis about vacancies in private & public sectors throughout the country and facilitates in the job application online & offline.

Multinational & national companies such as IBM Concentrix, WIPRO, HDFC Standard Life Insurance, DLF Pramerica, Aircel, Genpact, Aviva Insurance, WNS Global Services have been visiting our college and conducting placement drives. Students of final year of B.A., B.Sc, B.Com, BCA and MA, M.Sc have been offered placements by these companies. We maintain communication with our alumni who are kept updated with the job vacancies & various placement drives on & off campus.

Computer based employability tests sponsored by various agencies such as NIIT/AMCAT (Aspiring Minds) are held in each academic session where students are provided with the score sheets reflecting the level of their employability skills so that they can improve upon their limitations and prepare themselves for entry into various job fields. During the last 3 years, 558 students have already benefited from such tests.

We make available printed copies/handouts & reading material on employability skills & soft skills such as tips on interview preparation and Group discussion to the students. Copies of 'Weekly Employment News', editions of magazines such as Pratiyogita Darpan, India Today & Competition Success also remain available for the students in the department.

Computers with internet facility are already installed in the placement cell for the use of students. Students visit the department in their free period and make use of this facility in the room.

During the session 2014-15, 280 students were helped in applying online & offline for SSC Test.

Annual Joint job fairs are also held wherein all the city government colleges collectively invite more than 30 companies and the interviews are held at G.C.G-46, Chandigarh. Students from our college also participate in these fairs. During the Placement Drive about 50 students were picked up at a handsome pay package per annum.

For Post Graduate students, we have been conducting UGC Net workshops to prepare them for the common paper in the entrance examination.

LABORATORIES

The college has thirty four laboratories in the subjects of Botany, Chemistry, Physics, Zoology, Bio-Technology, Microbiology, Bio-informatics, Computer Science, BCA, Functional English, Functional Hindi, Geography, Psychology, Fine Arts, Dance, Music Vocal and Instrumental and Home Science. These labs are equipped with all relevant items as per University norms.

FEE CONCESSIONS AND SCHOLARSHIPS

During the current session, 42 students have been given 3500/- each and the total amount given out of student Aid Fund 1,47,000/-. Half Tuition Fee Concession has been given to approximately 406 students. The college awarded Rs. 7000/- as the Amarjeet/Beena Memorial Scholarship for outstanding performance in House/University examinations. Besides this, Smt. Saroj Vasudeva Scholarship is awarded to poor brilliant students. Some poor and needy students have also been helped from time to time through funds collected from the staff.

EXTRA CURRICULAR ACTIVITIES

Extracurricular activities are integral to holistic Education. Indubitably, such activities also hone “Soft Skills” of the students enabling them to chisel and promote social interaction, time management, public relations, community service along with skills specific to their career path and future job success. Realizing that in today’s competitive globalised world, future employers seek individuals with these increased skill levels, making these talented students more sought-after in the job market, we encourage students to marshal their skills by allowing them to participate in the extra-curricular activities. Our students have also excelled at the national level in the sports arena where in they have won 6 silver medals at the National level, besides winning various accolades at the inter-college and university level.

The session has been buzzing with activity. A number of activities viz., Talent Hunt Competitions, Inter College and Intra College Quiz, Debates, Declamations, Folk Song and Poetry Recitation Competitions were organized during the session. Many lectures, seminars, symposia and workshops were also held for the awareness of the students.

Our college students bagged 36 prizes including nine first prizes, seven second prizes, nine third prizes, four individual prizes in the Zonal Youth Festival; one First prize and five second prizes in the Inter-Zonal Youth Festival.

Our star thespian, Ijeoma Magdalene also clinched the first prize in Histrionics at the **Inter-University Youth – Festival**.

- Our music instrumental student, Anupama Sharma won the first prize in All India Music Competition held at Allahabad
- Gunjan Sharma of MSC Microbial Bio-tech has been awarded PG Merit Scholarship for a period of 2 yrs by UGC.
- Karanveer Kaur of Bio tech Honours II yr was shortlisted in the top 10 Femina Miss Diva 2014 competition and she is presently a part of a reality show on Z –café and Zoom T.V.

TOWARDS HOLISTIC DEVELOPMENT

The college endeavours to imbibe holistic education so as to prepare the students to meet the challenges of life. Holistic education is based on the principle that students find identity & purpose in life by connecting to the community, nature & humanitarian values. The purpose of holistic education is not only to prepare students for academic success, but also to enable them to meet the challenges of living as a whole (learning about themselves, about healthy relationships, about social responsibility, compassion, collaboration rather than competition etc)

By using real-life experiences, current events, the finer arts and audio/visual aids to substantiate textbook information, the students are encouraged to explore and discover their potential and latent talents. As holistic educators, we must respond to the learner's inquisitive mind with a sensitive understanding of the environment that he or she is maturing in. To fulfill this purpose, we have four NSS Units, NCC (Army Wing) and various clubs, cells, societies and associations actively functioning in the college.

A detail of their activities during this session is given below:

NSS

National Service Scheme (NSS) is an initiative by the students to know the community around them, understand their problems and offer some solutions. The motto of NSS- "Not Me But You", reflects the belief that the welfare of an individual is ultimately dependent on the welfare of the society. NSS Department of PGGCG-42 is fully committed to the motto of NSS.

The college has 8 NSS units (4+4 self financed). An impressive total of 1149 volunteers registered in this session for NSS. 450 volunteers are working in NGO'S like Salam Zindagi, Yuvsatta, Child Care, Theatre Age, BTGT, NAB-AOF etc.

- NSS touched new heights this year. Volunteer Shelly of BA III was awarded Indira Gandhi National Award at Rashtrapati Bhawan, New Delhi by President Pranab Mukharji . She is the first NSS volunteer of Chandigarh to be so honoured.
- Shelly and Preeti were awarded the Star Girl award by MP Kiran Kher for outstanding work in social service and for active participation in Project Uday (teaching street children).
- Project Uday, is currently running at three places-Kajehari, Dhanas and PU Chandigarh. NSS

volunteers taught 58 children out of which, 45 have started attending schools.

- PGGCG-42 became the first college in the region to conduct on the spot HIV testing of 200 NSS volunteers in collaboration with AHF (UN funded International NGO) and Kings XI Punjab.
- Under project ‘We Care For You’, 15 volunteers are involved in looking after/assist the patients in PGI.
- NSS volunteers of college are the main human resource for Pulse Polio Campaigns in the city and they perform their duty with full responsibility.
- Under Swachh Bharat Abhiyan, volunteers have performed sterling work in Kajheri and college camps. Volunteers have shown their social responsibility by maintaining the public park in front of the college.

NCC

The college has one NCC unit (Army Wing) with authorized strength of 121 cadets. The NCC cadets participated in various activities during the session like Blood Donation Camps, rallies to generate awareness regarding Female Foeticide, Drug Abuse among Youth, Cancer Awareness etc.

- Cadet Jyoti Kaushal of Bio-Tech II has successfully performed 3 parajumps with parachute from the height of 12 metres.
- She also has the honour of winning the PU Inter Zonal Shooting Championship.
- Cadet Yashasvini of BSc (Non Med) attended a mountaineering camp in May where she was imparted training to for an expedition to Mt Everest in 2016.
- Cadet Jyoti Kaushal of Bio-Tech II year has been adjudged the best NCC cadet of the session 2014-2015 for her leadership and management qualities.

Our cadets are the official escorts of the Chief Guests and Dignitaries during all functions and remain instrumental in maintaining discipline in the various functions of the college.

ALUMNI ASSOCIATION

The ‘Ambassadors’ Alumni Association held interactive sessions wherein all the departments invited their distinguished alumni to interact with the final year students. In these informal interactive sessions, various issues relating to career options, procedures for applications to postgraduate classes, scope etc. are discussed at length. Emphasis is laid on honing communicative skills, computer skills and how to conduct

one-self during interviews. A cultural programme is also organized every year by the association.

The Alumni Association invited Dr Preet Arora, a distinguished alumna of the college who has been a recipient of Rajiv Gandhi Excellence Award. Her books titled “Hasta Upvan”, “Hindi Utsavi Preetambri” were released in the annual alumni association function. She encouraged the students to read and write as reading is the window to the world and makes you open minded and fit to face the challenges.

THE AMBASSADORS (Alumni Association) is an open group on Facebook where a novel effort has been made to initiate debates and discussions on social issues. Some alumni respond enthusiastically on a regular basis.

ENVIRONMENT SOCIETY

‘SRISHTI’ -- the Environment Society of the college, celebrated ‘Rajiv Gandhi Akshay Urja Diwas’ with Energy Conservation Campaign & spread the message through posters, slogan writing & essay writing contests. Ozone protection day was observed in the college with a lecture on Global Environment issues & documentary on Global Warming. Awareness was generated amongst the general public about the relevance of ‘Anti-cracker and Pollution Free Diwali’. The society organized Tree Plantation at the Herbal Garden in the college campus on the occasion of Independence Day.

AIDS AND HEALTH AWARENESS SOCIETY

The AIDS and Health Awareness Society has been actively involved in organizing activities for spreading awareness about the causes and remedy of various diseases like Cancer, AIDS, Ebola, Swine Flu, women health care etc. The society also arranges lectures on general topics pertaining to health like obesity, drug abuse, alcoholism, breast feeding and the importance of a balanced, healthy diet. The society is also instrumental in organizing motivational eye donation & blood donation campaigns in the college on a regular basis.

WOMEN CELL, GENDER EQUITY AND NON-DISCRIMINATION SOCIETY

The emerging need of present times necessitates girls to be aware, make informed choices and develop self-respect. This year Women Cell organized highly interactive, energetic and participatory activities to generate awareness and sensitize girls towards gender biased and discriminating society. The major focus has been on teamwork, cooperation and positive approach. The women cell in collaboration with an NGO Sanjh Jagori, Chandigarh facilitates Youth Adalat every Friday. This process is participatory and is an open forum to talk about issues and concerns paramount to young adolescent girls. The students of our college joined the global campaign 'One Billion Rising' to raise their voice against all forms of violence against women and children. 220 girls performed a flash mob at four different locations in the city with panache and exuberance.

COMMUNITY SERVICE INITIATIVE

Addressing the need of community service, our girls have been actively involved in the following activities during this session:

- The Pulse Polio immunization drive.
- Participation in flash mob as part of a campaign 'One Billion Rising' to create awareness about women and gender related issues at PGGCG 42, PGGCG-11, Elante Mall, Sec 17, PU campus. This event was in collaboration with Sanjh Jagori, Chandigarh & the Chandigarh Police.
- The Chandigarh Police also announced the launching of the security app 'Smart 24x7' from our college on that day.
- Candle March and Human chain on International Peace Day to spread awareness about the dignity of women.
- Project 'Uday' by NSS volunteers under which street children are being taught by our students.
- Student participation in various activities organized in collaboration with two NGOs: Population Foundation of India and Sanjh Jagori- Dharamsala.
- Patient assistance in PGI by NSS volunteers in collaboration with NGO 'We Care For You'
- Collaboration with NGO Salaam Zindagi for assisting the disabled in the city.
- NSS volunteers acted as writers for Visually Impaired students in the city.
- Swachh Bharat Abhiyan was launched in a big way with the college students carrying out

cleanliness operations in Kajheri, in & around the college & the Bus Terminus, sector 43, Chandigarh.

- Blood donation camps are held regularly in the college to motivate students to donate blood generously.
- AIDS awareness drives were also carried out by the students.
- ‘Youth Adalat’, a forum of, for & by the students is organized every Friday in the college to address the issues of students.

CONFERENCES & SEMINARS ORGANIZED BY THE COLLEGE

- A One Day Conference on “**RUSA- As Quality Intervention in Higher Education Sector**” was organized under the aegis of Department of Higher Education, Chandigarh Administration on 13th November, 2014. Our aim is to prepare skilled human resource with moral and social values to give back the best to the nation. To achieve the desired goal, we wish to adopt policy initiatives to enhance relevance of higher education through curriculum reforms, vocationalization, information technology, networking and distance education. There is a need to improve teaching learning ability, research and examination system; there by providing holistic education.

To encompass various dimensions of RUSA, it is imperative to stress on the role of Corporate Social Responsibility and Higher Education on – Assessment and Accreditation, which is a gateway for Quality Assurance in Higher Education.

- The Hindi Department of the college organized a one day National Conference on “Samsamayik Hindi Sahitya mein Vimarshvadi Dhara: Uplabdhan va Simayein” in the college campus on 20th February, 2015.

VISION

The college strives for excellence and modernization in keeping with the changing demand and need of the hour. For this purpose computerization process has been initiated at all levels.

A number of lectures, seminars, and workshops were held during the session wherein the faculty and students updated their knowledge & interacted with the best minds on the national & international circuit. However, the vision of the college as a self-sufficient institution will remain unfulfilled until some more facilities like

- Advanced Science Block
- All weather Swimming pool
- Extended and Underground parking
- Additional housing units for non-teaching staff are not added to the existing infrastructure.

This report presents a comprehensive view of the achievements and activities of the college during the session 2014-15.
