Dear Nisha ji,

A great thanks for such a profound and enlightening experience. As an educationist, I was indeed honored to visit an institution that not only strives to provide value-based education but also makes it an endeavour to establish a conducive and cohesive environment for decisive action, inspiring innovation and remarkable determination; clubbed with the best facilities a campus can provide with regards to Swachh standards, to the future leaders of India.

Thanking you once again for the warm hospitality, lovely plant and the most enriching experience ever. Please convey my regards to your team for their incredible commitment towards Mission Swachhta.

Hoping this association will continue.

Warmest regards.
