Post Graduate Government College for Girls Sector 42, Chandigarh

OSMIUM... Whetstone of Talent

"Perceptiveness with Finesse"

Post Graduate Government College for Girls, Sector 42, Chandigarh is a premium multi-faculty institution of higher education in the City Beautiful, which was established in 1982. Spread over a spacious campus of nearly 18 acres in the southern part of Chandigarh, the college has emerged as an all-encompassing institute. This college has been accredited Grade 'A' by the National Accreditation and Assessment Council (NAAC). It has been placed in the Rank Band of 151-200 during National Institutional Ranking Framework (NIRF), 2020.

It imparts education to more than 4000 students in the streams of Commerce, Humanities, Science and Computer Applications and is serving the cause of women empowerment for the last 38 years. The college has reached the level of confidence and optimism under the dynamic leadership of our esteemed Principal, Prof. Nisha Aggarwal.

OSMIUM..... WHETSTONE OF TALENT (INTER-STATE IT FEST)

The college has been a pioneer in organizing various academic as well as cultural events. The pioneer effort of organizing "Carve.... The Beginning" was put forth by our prestigious institute in year 2008. In the year 2009, Osmium was announced as the official IT Fest of the Department of Computer Applications, which left an indelible imprint in our memory that we would cherish forever. With the same spirit and zeal, "Osmium... Whetstone of Talent 2021" is being organized to provide entertaining experience to the budding ITians.

Keeping in the view the current pandemic situation due to Covid-19, the fest will be conducted in **ONLINE** mode only. The electrifying ambience, the captivating performances, the howls and the whoops on campuses will be surely be missed, but we choose to accept challenges and keep moving forward, savour every bit of the journey because **"The Show must go on!"** This year's IT fest has been dedicated to all the Corona Warriors and all the events' theme is around Covid-19.

We seek support and participation from colleges from the city and adjoining areas for making this event a grand success again. We promise the fest to be a fun experience for all the participants.

RULES AND REGULATIONS

1. The fest is open for all the bonafide **COLLEGE STUDENTS** only.
