

POST GRADUATE GOVT. COLLEGE FOR GIRLS, SECTOR-42, CHANDIGARH

DEPARTMENT OF COMPUTER APPLICATIONS

Date: 11th September, 2024

PG Department of Computer Applications of Post Graduate Govt. College for Girls, Sector-42, Chandigarh organized an awareness workshop on “**Searching Online Internship**” in association with **Hitbullseye, Chandigarh** for the students of **BCA I, BCA II, M.Sc. (IT) I and PGDCA on Wednesday, 11th September, 2024.**

Mr. Ishwar Singh Sandhu, AVP Academic, Hitbullseye was the resource person. An informative awareness session was conducted highlighting the significance of internships in boosting employability. Besides Additionally, the session offered guidance on turning those internships into better future opportunities through professional profile updating, industry networking, and proper articulation of acquired skills. After the session, a quiz on current affairs and latest technologies was conducted for the students and the winners were awarded. Around 150 students participated in the workshop.
