

Post Graduate Govt. College for Girls, Sector 42, Chandigarh

Date: 13th September 2024

Report on Career Oriented Session and Quiz Competition organized by the Department of Computer Applications, PGGCG-42, Chandigarh

BCA department of Post Graduate Govt. College for Girls, Sector 42, Chandigarh organized Career Oriented Session on 13th September 2024. The event, conducted by Raj Malhotra IAS Academy, sector 25, Chandigarh, aimed at providing students insights into career opportunities in Indian Administrative Services (IAS) and other civil services.

The session was conducted by **Mr. Deepak Thakur** who interacted with the students and provided them with valuable guidance on how to pursue a career in the Indian Administrative Services. He discussed exam strategies, preparation methods, and the benefits of joining the civil services. The session was highly informative and sparked significant interest among the students in exploring career opportunities in IAS. The event also featured an exciting quiz competition aimed at testing the students' knowledge and enhancing their interest in competitive exams. The winners of the quiz were rewarded on the spot. The session was well-received and created much enthusiasm amongst the students.
