Press Note on National Seminar on Sustainable Development Goals-2030

Post Graduate Government College for Girls, Sector-42, Chandigarh hosted a National Seminar on Sustainable Development Goals (SDGs) 2030. The Seminar was organized by the NEON Science Club in collaboration with the Personality Development Cell of the college and was sponsored by the Department of Science, Technology, and Renewable Energy, Chandigarh.

The seminar focused on the theme "Waste to Wealth: A Social Entrepreneurship Model," aiming to explore innovative approaches to sustainable development through social entrepreneurship. The event was attended by faculty members and students, fostering a collaborative environment for knowledge exchange.

Resource person Prof. Ramanjit Kaur Johal a distinguished academic from the Department of Public Administration, Panjab University, shared insights on " Youth and SDG's: Small Action, Sustainable Outcome". She encouraged all to initiate small studies in groups and try engaging in finding meaningful data regarding the 17 SDG's as small steps towards improvement.

Dr. Arun Bansal, an acclaimed environmentalist, administrator, and senior programmer at Panjab University, discussed strategies for converting waste materials into valuable resources, highlighting successful case studies and potential opportunities for social enterprises.

Convener, Prof. (Dr.) Deepika Kansal shared that the seminar successfully provided a platform for knowledge exchange on sustainable development and social entrepreneurship. It emphasized the importance of innovative solutions in addressing environmental challenges and encouraged participants to explore entrepreneurial avenues for promoting sustainability.

Principal Prof. Binu Dogra lauded the efforts of the organizing societies and extended gratitude to the Department of Science, Technology & Renewable Energy, Chandigarh Administration, for their collaboration and support.
