

Session On Road Safety Rules organized by Road Safety Society of PGGCG-42, Chandigarh

Date: 5th Feb., 2025

Road Safety is a crucial aspect of everyday life, yet it is often overlooked or taken for granted. Recognizing the importance of creating awareness and instilling responsible behavior among road users, a session on road safety rules was recently conducted at our institution on 5th February, 2025 which was attended by over 115 students. The session aimed to educate students and staff on the vital regulations and behaviors necessary to ensure everyone's safety on the roads. The session began with an engaging presentation by an experienced traffic safety officer Mr. Himanshu Lubana, who highlighted the alarming statistics related to road accidents. A major focus of the session was on the fundamental road safety rules that every pedestrian, cyclist, and driver should follow. These included wearing seat belts, adhering to speed limits, avoiding the use of mobile phones while driving, and the importance of pedestrian crossings. Principal Mam Prof. (Dr.) Binu Dogra and Dean Dr. Anju Chopra attended the session and took keen interest in it. The Principal also laid emphasis on the dire need to educate the youth in midst of increasing accidents and negligence. Convener of the Road Safety Society Dr. Shefali Malhotra along with others member Dr. Rashmi Kohli and Dr. Vikas highlighted that safety is not just a responsibility it is a necessity for a civilized and conscientious society. An important takeaway from the session was the emphasis on shared responsibility. The session concluded with a Q&A segment, where participants could voice their concerns and ask questions. This open dialogue helped clarify doubts and further instilled a sense of accountability and motivation to practice safe road behavior.
