Intercollege Science Fest 2025 - Celebrating National Science Day

Chandigarh, February 28, 2025 –To celebrate National Science Day, the NEON-Science Club of PGGCG-42 hosted an exciting Intercollege Science Fest, sponsored by the Department of Science and Technology (DST) & Renewable Energy, Chandigarh Administration. The event aimed to spark scientific curiosity, foster innovation, and provide a creative space for students to showcase their knowledge. With over 100 enthusiastic participants from various colleges across Chandigarh, the fest was a resounding success.

The event was graced by the presence of Principal Prof. Binu Dogra, who encouraged students to continue their pursuit of knowledge and creativity. Prof. Deepika Kansal, Convener of the NEON Science Club, applauded the efforts of the organizing faculty members and extended best wishes to all the budding scientific minds.

The event featured a range of interactive activities, combining science with creativity. Participants engaged in activities such as Bookmark Making, File Making, Pot Painting, Model Making, PowerPoint Presentations, and the innovative "Cooking with Kitchen Chemistry" challenge. These activities allowed students to explore scientific concepts in a fun and engaging manner, blending hands-on creativity with learning.

The event saw a remarkable display of talent across various competitions. In the PowerPoint Presentation category, Pururva Pathak secured the first position, followed by Mehakpreet Kaur from the same college in second place, and Ananya in third place. The Model Making competition was dominated by Gurmeet Singh, who took the top spot, while Megha Kumari and Shaakshi claimed second and third positions, respectively. In the Pot Painting competition, Diya Rana earned first place, with Manpreet Kaur and Sukhmanpreet Kaur securing second and third places. The Bookmark Making winners were Pooja Kumari in first position, Bableen Kaur in second, and Rekha Maurya in third. For File Cover Making, the top three were Akshita Jain and Jiya, who took the first and second spots, while Vibha came at third position. Lastly, in the Cooking with Chemistry challenge Sukhmandeep took first place, followed by Khushi Singh with second and Maseera Siddiqi secured the third position. Each winner showcased their creativity and scientific knowledge, contributing to the overall success of the event

The fest concluded with a vote of thanks by Mrs. Sunita Kumari, Co-Convener of the NEON Science Club, who expressed her gratitude to all the participants, faculty members, and organizers for contributing to the event's grand success. The Intercollege Science Fest 2025 not only promoted scientific learning but also gave students an opportunity to discover new talents beyond the classroom, fostering a holistic approach to education.
