

Post Graduate Govt.College for Girls, Sec-42, Chandigarh

Date: 19 Aug 2016

Summary of The Event

State Project Directorate (RUSA), UT, Chandigarh organised one day College Cluster workshop on Geo-Tagging at Post Graduate Government College Sector-42, Chandigarh in which about sixty participants from affiliated colleges of the city deliberated . Workshop was inaugurated by Sh. Jitender Yadav, IAS, SPD (RUSA) cum DHE, UT, Chd. In his presidential remarks he highlighted the aims and objectives of the workshop. He further elaborated that such programmes would be organised frequently for better awareness and understanding the ongoing issues initiated by MHRD under RUSA scheme. Geo-Tagging would enable effective monitoring of all RUSA funded projects and activities in all higher education institutions. Earlier Principal Mani Bedi welcomed the delegates to the workshop. She mentioned that college would strive all efforts in making such events successful. Mr. Puneet Modgil, Asst Prof PGGC-11, Chd, gave the insight of Geo-tagging and provided hands on training to the faculty members of all affiliated colleges of Chandigarh. In his presentation he mentioned that this will introduce new paradigm in project monitoring and evaluation. Dr. Dalip Kumar, Coordinator of the workshop , explained the rationale behind the workshop. Geo-Tagging for all higher education institutions is enabled by Bhuvan RUSA App provided by Ministry of Human Resource Development, Government of India and National Remote Sensing Centre Indian Space Research Organisation (ISRO), Government of India.
