**Aqua Treasure Awareness Drive by The little stars of Kids R Kids School, Sector 42, Chandigarh**

Students of class III and IV of Kids R Kids School, Sector 42-C, Chandigarh, visited Post Graduate Government College for Girls, Sector 42, Chandigarh, on April 17, 2025, as part of the *Aqua Treasure Awareness Drive*. They were accompanied by their dedicated teachers, Ms. Shikha Agarwal and Ms. Swati Lakhwara.

Water conservation campaign is a thoughtful and much-needed initiative, and it was heartening to witness such enthusiasm and awareness among the children. Their creativity shone through the beautifully crafted artwork and the thoughtfully designed questionnaires, which were both engaging and insightful.

The little stars also interacted with students and faculty members of the Department of Computer Applications, where they shared their thoughts on the importance of saving water for a sustainable future. The entire effort reflects the excellent guidance and inspiration provided by their mentors. College Principal, Prof. Binu Dogra, applauded the enthusiastic little stars and the school management for their commendable efforts in raising awareness about water conservation among students at such a young age.
