5.1.5. The Institution has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases.

The College has a transparent and efficient mechanism for timely and suitable redressal of students' grievances of any kind pertaining to academics, infrastructure, sexual harassment, ragging etc. Different committees have been constituted by the college to look into such grievances. These committees are Anti Ragging and Grievance Redressal Committee, Anti Sexual Harassment Committee, Student Suggestion Box, Women Cell and Gender Equity Society. The students can submit their issues and grievance to the Principal or any member of these Committees. The students can also write their grievances and drop them in the Student Suggestion Box. They can also submit the grievances online through college website. Owing to the efficiency of the committees, all the grievances are addressed promptly keeping the confidentiality of the student and appropriate action is taken.

The Principal and staff are also continuously involved in raising awareness among students about these menaces and implement various preventative measures. Different activities are organized regularly to sensitize students about these issues.

PGGCG-42 has zero tolerance for ragging, and so far not even a single incident of ragging has been reported in the college.
