A Mock Parliament was organized under the Viksit Bharat - Yuva Connect Program under the aegis of Ministry of Youth Affairs & Sports, Government of India to provide students a platform to understand the significance of democratic functioning, especially during the Emergency period in India (1975-77). Students actively participated by enacting members of the ruling and opposition parties, journalists, and historic political figures. Through simulated parliamentary proceedings, they debated on critical issues like press censorship, civil liberties, and constitutional amendments.

The event was organised under the esteemed guidance of Principal Prof. (Dr.) Anita Kaushal. She appreciated the research, confidence, and presentation skills displayed by the students and motivated them to stay aware of democratic values. Vice Principal Dr. Abha Sudarshan also graced the event with her insightful words and reflected historically on the emergency era.
