**Department of Botany**

**Model Making and Power Point Presentation Competition**

The Botany Department of PGGCG-42, Chandigarh conducted a "Model Making and Power Point Presentation Competition" on the theme "Medicinal Plants- Importance and Propagation" to create awareness among students about invaluable role of medicinal plants on human health, traditional healing practices and sustainable living. The event started with the green welcome of the judges - Mrs. Inderveena Sharma (Retd. Associate Professor in Botany) and Mrs. Anita Mehta (Retd. Associate Professor in Botany). Dr. Harsh Manchanda (HoD) formally welcomed Principal madam Prof. (Dr.) Anita Kaushal. A total of 60 students participated in competitions. In her address to students, Principal madam highlighted the importance of blending traditional wisdom with modern science for a healthier future and emphasized the need to conserve and promote medicinal plants. Judges praised the originality, innovations and presentation skills of participants. The winners were awarded certificates and prizes. The program was a success, inspiring students to value Nature's pharmacy and concluded with the vote of thanks by Dr. Harsh Manchanda.

The final result of "Model Making Competition" is given below:

Sr. No.	Name	Class	Prize
1.	Nima Tsomo	B.Sc. III <sup>rd</sup>	1 <sup>st</sup>
