## **INTRODUCTION**

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Mahatma Gandhi's Birth Centenary Year 1969 with the primary focus on the development of personality of students through community service. "Not Me But You" is the motto of NSS, which tells the importance of democratic living and support the need for self-less service. NSS helps the students develop appreciation to another person's point of view and also define consideration to other living beings. The Philosophy of the NSS is well defined in the motto, which underlines on the belief that the welfare of a person is ultimately dependent on the welfare of the society on the whole. That is the reason why the NSS volunteers shall strive for the welfare of the society. The symbol for the NSS is the giant Rath Wheel of the world famous Konark Sun Temple (The Black Pagoda) in Orissa, India. The wheel defines the cycle of creation, preservation and release and indicate the movement in life over time and space. The symbol hence stands for continuity as well as change and signifies the progressive striving of NSS for social change.

The NSS Wing of the college was established in the year 1982.
