

Report on Debate Competition “Artificial Intelligence: It’s Positive and negative effects”

A debate competition on the Topic “Artificial Intelligence” was organised by Post Graduate Department of Sociology, P.G.G.C.G, Sector 42, Chandigarh on 10 March, 2026 in the Mini Conference room. The activity was conducted under the guidance of Dr. Ranjay Vardhan, Dr. Seema, Dr Komal Sharma and Dr. Amrit Kaur . This event was designed to foster critical thinking, enhance public speaking skills among students. Dr. Seema while welcoming the participants highlighted the role of Artificial Intelligence.

Prof. Binu Dogra, the Principal of the college shared her views on Artificial Intelligence and discussed about the both positive and negative effect of it. In this competition around 25 students participated and presented their views. At the end on the basis of judgement given by Dr. Amrit Kaur and Dr. Komal Sharma, the following students were declared prize winners:
