Press Note

Screening of two short films organized by the college Literary Society

Date: 19th March, 2026

Literary Society of PGGCG 42 organized for the students the screening of two inspirational short films *The Relationship Manager* & *Juice* on 19th March, 2026 in the college Mini Conference Room. These films gained attention of around 70 students for the realistic portrayal of the lives of women in the modern society. The films received an enthusiastic response, with the students appreciating the relevant themes as such films play an important role in spreading awareness and inspiring positive change in the society.

An engaging and lively discussion followed the screening, where the students actively participated and shared their insights and interpretations of the films.
